## About Our Agency

Founded in 1920, Greater Nashua Mental Health Center (GNMHC) provides comprehensive behavioral health services primarily to residents of southern Hillsborough County and serves over 5,0000 consumers annually.

Utilizing evidence-based practices, GNMHC delivers services to children, adolescents, adults and older adults; programs are available for every stage of the life cycle. Treatment can be accessed in office and community settings, including schools. Our services include, but are not limited to, individual and group therapy for individuals, couples and families, along with an array of other programs, providing wrap-around care for the well-being of the whole person.

As the State-designated Community Mental Health Center of the Greater Nashua Region, we are committed to serving our clients to allow them to live their lives to the fullest, making our communities happier and healthier places for everyone to live.

We believe that by respecting individuals as they are, we can help them become all that they wish to be.
